Subject: Barrington - Public Water System: Amazing Children Learning Ctr. (EPA #0155090)

Dear Ms. Breakfield:

The records of the NH Department of Environmental Services (DES) show that you have recently passed the examination for certified operator. Subsequently, your License #2775 has been activated as the certified operator for the Amazing Children Learning Center water system. As a result, DES has determined that the violation identified in Letter of Deficiency WSEB #06-050, dated June 6, 2006, has been resolved. DES appreciates your cooperation in resolving this matter.

Please contact me by phone at (603) 271-0659 or email at [ejones@des.state.nh.us](mailto:ejones@des.state.nh.us) should you have any questions.

Sincerely,
